Your Faculty makes the ultimate decision on your mobility, on the UL (home institution) level. However, the final decision on your Erasmus+ mobility belongs to your target university (host institution).

Erasmus+ grant money

if the PO WER project will be launched in the 2021/2022

Extra grant of EUR 200 for social benefit receivers. Only for students entitled to the UL social benefit for the 2020-2021 Summer semester.

This is a PO WER co-financing you can only get once for each study cycle.

Extra financing for disabled (PO WER) is available to students with **certified disability**.

The UL will pay you the grant for 5 months = 150 days. Exact rates and payment rules for the 2021-2022 edition will be published on our website (bwz.uni.lodz.pl) as soon as they are announced.

If the amount of funds obtained by the UL is not enough to cover all the mobilities of qualified students, then each Faculty will make a ranking list of students who have priority receiving the grant money (if this happens, it is made known by June, before mobilities start).
